Dedicated to you, a light of ECK

Who could be more wonderful than you?

You have, oh, so many blessings. All you need to do is recognize them.

Can you? Will you? Do you?

Look around.

You live in a garden.

Someone loved you so much that here you are,

in a garden.

There is spiritual food all around,
here to feed and nourish.
All you need to do is get it.

You are one of the special people. Somehow you've become awake and opened your eyes. Now awake, you know you are special.

You know you live in a very special garden, a garden of love.

Someone loved you so much
that you are here and awake.

What a blessing to know you are blessed.

So how'd you come to be?
How'd you get here?
Why?
And where to next?

Questions in the midst of plenty.

Thinking, thinking.

Why, why?

And, why, why?

All this and more is you,

a so-wonderful you.

Handmade in heaven.

Cared for on earth.

And all you have to do is accept it,

and you will recognize the wonder of you too.

Set your sights high. Set them very high. Why not set your sights on God?

God loves you and
has from Its creation of you.

You were handmade in heaven,
by the Maker of life, love, freedom,
and happiness.

Be happy, be you, just BE!

Put away your fear. Put away your doubt. And remember to put away your worry.

You are Soul. Special. One of a kind.

So love yourself, love God, and love others.

So look around and say thank you for all the blessings.

Wake up and sing!

Glory in this garden of love, because the holy foods are all around.

The best is yet to come.

Such is the wonder of you!
